Eastford Woodstock 20 Mile Loop

This hilly ride starts at the Ivy Glenn Memorial in center Eastford. Alternate parking can be found at the school 0.1 W on Westford Road. The Ivy Glenn Memorial houses the Eastford Public Library (**bathrooms/water**) which is open for part of the afternoon on Saturday. There is a **pay phone** outside Bowen's Garage. The start of the ride is approximately 12 miles north of the RT 6 commuter parking lot in North Windham the traditional start of TCC rides. The ride can be lengthened by about 25 miles by starting at the traditional TCC starting point at the RT 6 Communter Parking lot in North Windham which is approximately 12.3 miles south of Eastford.
Start at the commuter lot, and follow RT 6 east to RT 198 north, continuing across RT 44 to Eastford center and by reverse this sequence for the return. On this extra section **water** and **pit toilets** can be found in season at the picnic areas of the Natchaug State Forest on RT 198. The picnic area accesses the Natchaug River which makes a good rest stop for cooling off as well. There are **pay phones** at several of the commercial campgrounds on RT 198. Bottled **drinks and snacks** can be found at the Village Store in center Eastford and the Corner Market (new 2004) at the junction of RT 44 & R 198.
